

**Kishwaukee College Art Gallery
21193 Malta Road, Malta, IL 60150
Performance, Interactive Arts, Sculptures Exhibit**

Featuring:
Jeremy J. Foy
BFA Elmhurst College
MFA Northern Illinois University
www.jeremyjfoy.com

Come join us for a public reception of Jeremy Foy's live creative works on **Saturday, September 15, 2018** from **11:00 am-2:00 pm** at Kishwaukee College. We invite student-athlete teams to participate in creating their own "team" work of art using Jeremy's unique methods. Mr. Foy combines his obsession of sports (as a former student-athlete), physical activity and creative art. All of which have a strong focus on the idea of practice. Jeremy combines athletic drive and movements with artistic creativity. His work is an emphasis on both creative and physical prowess, a compression of the rigors of repetitious activity. Please contact Director Student Involvement, Athletic Director, Scott Kawall, at 815-825-9837 or at skawall@kish.edu to RSVP for the event by September 10, 2018.
