Transfer Guarantee

Kishwaukee College is committed to facilitating articulation between the College and other higher education institutions. Kishwaukee College courses approved for transfer to any state or private college or university in Illinois that has voluntarily complied with the Illinois Articulation Agreement or affords compact benefits, will be honored either as program requirements or electives. If they are not, and all provisions of the Transfer Guarantee are followed, the College will refund all tuition and fees paid for such courses within 60 days. The conditions of this Transfer Guarantee are listed in the Kishwaukee College Catalog.

Career/Occupational Program Guarantee

Kishwaukee College, as an expression of confidence in its faculty, staff and educational programs, states that Kishwaukee College career program graduates can be expected to demonstrate entry-level competency in positions for which their degrees or certificates requiring 20 or more hours are intended to prepare them. An employer who determines in consultation with a Kishwaukee graduate that the graduate/employee does not possess appropriate entry-level skills encompassed in the degree or certificate curriculum, and who can specify such deficiencies, may request that the student be permitted to retake a specific course, or courses, for up to a total of 12 credit hours without additional tuition and fee charges under the conditions listed in the Kishwaukee College Catalog.
