Kishwaukee College recognizes the important role that student organizations can play in developing students' personal and professional interests. The Board of Trustees encourages the establishment and participation of students in organizations and extra-curricular activities that serve as an extension of the College's academic programs or that otherwise relate to the overall mission of the College and the welfare of the student. These activities will include but are not limited to: Student Government, Clubs and Organizations and Student Organizations.

Student organizations operating on campus must be recognized by Student Government and the Vice President of Student Services. Such recognition provides certain privileges and responsibilities which are outlined and available in the Office of Student Activities.
