

CHAPTER 4	SECTION NO.
College Operations	4.03
REFERENCE 4.03 College Calendar	<i>Adopted: October 12, 2010</i>
	<i>Reviewed: October 12, 2010</i>
	<i>Revised:</i>

The College academic year shall begin with orientation scheduled just prior to the first day of instruction of the fall semester and extend thru Commencement at the end of the spring semester.

For purposes of administration, the summer session is considered a special session outside the academic year calendar.

An administrative calendar specifying working days will be issued by the Office of the President prior to the start of each fiscal year (July 1).

Kishwaukee College shall schedule a sufficient number of preparatory, instructional and testing days each semester to insure that adequate time is provided for teaching and learning and to comply with minimum State requirements and standards.
