Note: All courses may not be offered every year. Students should plan to take these courses during both their Junior and Senior years when offered.

* To earn 32 credits while in high school, students will need to take either summer, online or evening classes.

** Credits taken above the minimum requirements for the KC degree count as elective credits. Additional credits to fulfill A.A. requirements are available during summer semester at Kishwaukee College. Consult with Student Services at Kish College to verify that selected open electives will meet requirements for your chosen major.
