Student First Time Log-in Instructions from Campus College Owned Computer

1. Login to College computer using your KishID username and password
   Note: this is how students currently login to College owned computer; your KishID credentials are also used to login to KishSOS and students email

2. Open up Internet Explorer and go to the Kishwaukee College website www.kish.edu

3. Click on myKC in the upper right corner of the website home page

4. Click on the myKC logo
   Note: If you are logged into the computer as you, you will automatically be logged into the portal once you click

5. If you are not automatically logged in, enter in your KishID username and password
   You now have access to KishSOS, email, Brightspace (online courses), and other important college information

6. When finished, do not simply close the browser, you must log off the computer.
   To log off, click the start button in the left corner and select Log Off.

Note: If you do not log off and someone else uses the same machine, they would have access to all your personal information, putting yourself at a security risk.
